Hello Larry,

Never Forget

Yesterday was Memorial Day in the U.S.,
dedicated to honoring our military men
and women who gave their lives so
others can live in freedom. Wherever you
live, please, never forget your heroes or
their families for their sacrifice. Semper

Let's Get Together

Followers of my newsletter know I now live and travel full time in a
Tiffin motorhome. This new experience has vastly opened up my
personal window to meeting photographers and encountering
interesting opportunities. Over the past year a number of readers
have asked me to let them know where I am, or where I'm going to
be, so we can meet for lunch, a photo shoot, portfolio review,
workshop, or just a chat.

So, beginning this week, you can keep track of my whereabouts via
Facebook, [Facebook/WindowOnPhotography](#). If you do not have, or
want a Facebook account, you can still access the material. I look
forward to hearing from you, and to seeing you on my travels. Also, by
"Liking" the page you will receive postings of interesting encounters,
recommendations for photo opportunities and new competitions
between the bimonthly newsletters.

See how our sponsors can help you . . .
